

DIGITALISING LEARNING: THE NEW NORMAL

13 - 14 AUG 2020

LEARN MORE

Dear Team Lead,

As part of my professional development for 2020, I would like to seek your approval to attend, the 100% online, Adult Learning Symposium 2020, ALS 2020 (Live).

Lauded as the signature conference for the Training and Adult Education (TAE) industry, I have chosen this online conference to benefit both our organisation and myself.

Here are 4 reasons why you should approve my request to attend ALS 2020 (Live)

Benefits to Organisation

- 1 BE INSPIRED**
Learn and be inspired from local and global thought leadership from various industries through the sharing of best practices and case studies.
- 2 BE EXCITED**
Embrace digitalisation to design and implement learning experiences that are not only efficient but also more engaging, effective and rewarding for our learners and employees.

Benefits to Me

- 3 BE CURRENT**
Champion and embody lifelong learning as part of the TAE community. I will be plugged-in to the latest happenings and developments in the industry.
- 4 BE EQUIPPED**
Access to practical tools, tips and tricks from 17 policy-makers, enterprise owners, and leading practitioners covering over 1.5 days.
